Re: Clarification of Tentative Mediation A-13676 Agreement Package

Dear Sirs and Brothers:

I have been notified by many members with concerns of the Company's Section 6 Notice dated August 31, 2012 that was enclosed in the mailing of the Tentative Mediation A-13676 Agreement Package. Many members have the impression that the Company's Section 6 Notice is part of the Tentative Mediation A-13676 Agreement. **THIS DOCUMENT IS NOT PART OF THE TENTATIVE MEDIATION A-13676 AGREEMENT.**

As explained in my cover letter that was accompanied with the other documents in the Agreement Package you received, the Company's Section 6 Notice represents the demands made by the Company of items they wanted removed from our Agreement during the negotiating process. Please take notice that none of the Company's demands were agreed to. The Company's Section 6 Notice is not part of the Tentative Mediation A-13676 Agreement.

I want to remind everyone to attend an informational meeting or participate in one of the scheduled conference calls and have a thorough understanding of the Tentative Mediation A-13676 Agreement before casting your vote.

If you have any questions or concerns please contact this office or your Local Chairman for clarification.

Fraternally yours,

John W. Reynolds
General Chairman – CN/WC, BLET
