Dear John,

This is to advise you that Wisconsin Central Ltd. has joined with other railroads in authorizing the National Carriers' Conference Committee (NCCC) to represent them with respect to the 2020 wages, rules and benefits round of collective bargaining on a concerted national basis with respect to their employees represented by your organization.

In that connection, enclosed as information is a copy of a letter from Mr. Brendan Branon, Chairman of the NCCC, to Dennis Pierce at the BLET, serving a Section 6 notice (also enclosed) on behalf of the carriers represented by the NCCC and notifying him of the intention to handle that notice nationally, concurrently with any Section 6 proposals that may be served by your organization. I have also mailed a copy of the attached documents which you should receive within the next few days. Should you have any need to discuss further, please contact me at your convenience.

Sincerely,

**Tom Sullivan**
