**RE: Claims Listed for Arbitration**

CN/WC Members,

The following claims were filed for Arbitration to be heard by the First Division on March 15, 2011. The National Mediation Board ordered the BLET and the Carrier to try and resolve the claims through Alternative Dispute Resolution (ADR). At this time we have had one ADR meeting in Washington, DC with mediator Pat Sims.

Here is a brief overview of ADR and how it is applied:

ADR services are designed to help the parties resolve grievance and bargaining disputes effectively and reduce the number and scope of disputes which require mediation and arbitration services.

We are currently waiting to hear from Ms. Sims on the date of our next ADR Meeting. If resolution of the claims cannot be made through ADR they will be forwarded to the First Division to be ruled on by an arbitrator.

I will keep you updated as the ADR Meetings progress.

Fraternally and Solidarity,

John W. Reynolds  
General Chairman – CN/WC, BLET
