Re: 2019 Section 6 Notice

Dear Mr. Mandalas:

In accordance with the provisions of the Railway Labor Act, as amended, and the existing Agreement, or Agreements, now in effect on the Wisconsin Central, Ltd., we hereby give notice, that effective, January 1, 2020, or as otherwise specified, we propose to revise and supplement said Agreement or Agreements, governing rates of pay, rules and other conditions of work for any and all of the employees of such railroad who are represented by the Brotherhood of Locomotive Engineers and Trainmen, in accordance with the Proposal identified as **BLET ATTACHMENT "A,"** Sections I through III appended hereto and made a part hereof. The undersigned reserve the right to serve other attachments as necessary as circumstances dictate.

This notice is without prejudice to the continued application of all rights, privileges and benefits currently enjoyed by the employees represented by the Organization under existing agreements and established customs and practices between the Organization and the Carrier until changed by mutual agreement. Service of this notice should not be considered as yielding any such rights, privileges or benefits that currently exist, or a concession by the Organization that addressing any topic(s) referred to in the notice is an acknowledgement by the employees that they do not already possess any or all of their existing rights, privileges and benefits involving those topics.

Respectfully submitted,

General Chairman – CN-WC
